Education:

Bachelor of Science in Computer Science, Writing minor

May 2016

Winthrop University, Rock Hill, SC

Associates Degree in the Liberal Arts

May 2013

York Technical College, Rock Hill, SC

Related Experience:

Report Writer, Novant Health, Fort Mill SC

October 2016 – August 2017

- *Worked as part of a team to support the hospital billing offices' reporting needs.*
- *Created new reports..*
- *Modified existing reports.*
- *Provided instructions to address user difficulties, such as finding or using an existing report.*
- *Worked with languages: SQL*
- *Worked with several technologies, including SQL, Sql Server*

Web Developer Intern, Cimplx ACA Software, Rock Hill SC

May 2015 – August 2015

- *Worked as part of a team to plan and develop a new web application which generated and electronically submitted to the IRS forms required of "large employers" (100 or more employees) in order to stay in compliance with the Affordable Care Act. Generating the pdf and xml forms required the user to submit large amounts of employee and employer data which the application needed to process in order to populate the 1094-C and 1095-C forms required by the IRS.*
- *Actively participated in several stages of the development life cycle, from planning to implementation, including requirements gathering, documentation, coding, and testing.*
- *Personally contributed mainly to back end processing needs, namely a mass import module for submitting information on multiple employees at once, though I was involved to some extent in all aspects of the application's development.*
- *Worked with several technologies, including PHP, VB.NET, ASP.NET, MySQL, and SQL Server.*
